ShopNest Account and Login Help

Last updated: 1 October 2026

Creating an account

- Sign up on shopnest.in or the ShopNest app using your mobile number or email address.
- A 6-digit OTP is sent to verify your mobile number or email. The OTP is valid for 10 minutes.

Forgot password — how to reset it

1. On the login page, click "Forgot Password?".
2. Enter the email address or mobile number registered with your account.
3. You will receive a password reset link by email (or an OTP by SMS). The link is valid for 30 minutes.
4. Open the link and set a new password. It must be at least 8 characters long and include one uppercase letter, one number and one special character.
5. Log in with your new password. You will be logged out of all other devices for security.

If you do not receive the reset email within 5 minutes, check your Spam/Promotions folder, then request a new link. You can request at most 5 reset links in 24 hours.

Login with OTP (without password)

You can log in without a password by choosing "Login with OTP" and entering the OTP sent to your registered mobile number.

Account locked

- After 5 wrong password attempts, the account is locked for 30 minutes for your security.
- After 30 minutes you can try again, or reset your password immediately using "Forgot Password?".

Changing email or mobile number

- Go to "My Account" → "Profile" → "Edit".
- Changing the email or mobile number requires OTP verification on both the old and the new contact.
- If you no longer have access to your old mobile number or email, contact support. Our team will verify your identity using your last 2 order IDs and the delivery address before updating it.

Suspicious activity or hacked account

- If you notice orders you did not place, or your password was changed without your knowledge, reset your password immediately and contact support.
- Suspected unauthorised access or fraud is handled by the ShopNest Trust and Safety team (a human team). We may temporarily freeze the account while we investigate.

Deleting your account

- Go to "My Account" → "Settings" → "Delete Account".
- Account deletion is permanent after 14 days. During those 14 days you can log in again to cancel the deletion.

- Accounts with open orders, pending refunds or a ShopNest Wallet balance cannot be deleted until these are settled.

ShopNest Plus membership

- ShopNest Plus costs ₹999 per year and includes free Express shipping, early access to sales and 2% extra cashback in the ShopNest Wallet.
- Membership can be cancelled within 7 days of purchase for a full refund if no Plus benefit was used.
